ROYAL HORIZON POOL VILLA

The unparalleled choice of our most discerning guests, the gated Royal Horizon Pool Villa stretches over three separate pavilions to include two bedrooms, a living room, indoor dining areas serviced by a kitchen, and outdoor poolside dining area. A captivating infinity pool boasts spectacular views of Phang Nga Bay's limestone cliffs and wraps around to meet the master bedroom pavilion.

Seamlessly combining inspired outdoor island living with refined indoor relaxation, our 1,600-square-meter, gated Royal Horizon Pool Villa enchants at every turn.

Looking out from the hilltop over the emerald sea of Phang Nga Bay, bordered by a lush, landscaped garden, the radiant 546-square-meter infinity pool and expansive pool deck wraps around the villa's two front pavilions and a lounging island equipped with two chaise lounges. Nearby, a covered sala and daybed invite relaxation while a six-guest outdoor, sunken dining area promises an indelible meal or picturesque spot to enjoy the world-renowned island sunset with a cocktail from the refreshment centre.

Indoors, a full-service kitchen complements a second six-person dining area adjacent to the living room, which is equipped with a 40-inch LCD television with DVD player and international channels. Additional in-room technology includes a Bose iPod sound system and Wi-Fi, easily accessible at the sunken desk. Throughout the villa, soothing natural hues and native materials,

including smooth wood and stone, harmonize with vaulted ceilings, as blue accents provide a refined nuance.

In the separate master bedroom pavilion, an alluring bed sits atop a dark wood frame wrapped in crisp, 300-thread-count white linens and draped with a mosquito net. Settle in after an active day and enjoy a movie on the second LCD television.

The second bedroom features twin beds with a separate make up and wardrobe room leading to a private outdoor relaxation sala, outdoor sunken tub, open air bathroom, sauna, and steam room.

Perfectly placed on either side of the Royal Horizon Pool Villa are our 450 square meter Seaview Pool Villas. All three villas are connected by a private walkway transforming it into a truly expansive space, ideal for larger families and exclusive groups.
